Science

Work scientifically to observe, identify and classify.

DT

- Design, make and evaluate a hand-puppet. Select from and use a range of tools, materials and equipment.

P.E.

- **Athletics**
- **Sports Day practise**
- **Superhero Dance**

PSHE

- Changing Me

Tenacres First School – Year 1 Curriculum Information for Parents

Year 1- Summer Term 2022

Mrs Dearden and Miss Evans

We can't quite believe that we are already at the end of the year, it really has flown by! For the remainder of our time in Year 1 our topic will be Superheroes! The children have made fantastic progress since September and our final topic gives them a chance to be superheroes themselves and really challenge themselves. Our topic started today with the children becoming detectives to solve a crime that seems to have occurred over the weekend but luckily a Superhero was on hand to save the day. Our Superhero topic will have an English and Art focus.

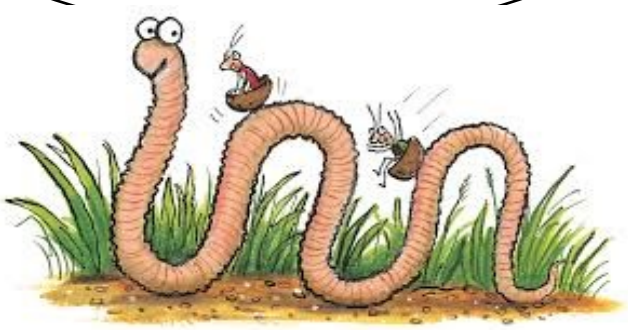
How you can help your child at home:

- Listen to your child read at least three times a week. Ask questions about what they've read and get them to explain the text.
- When they come across unfamiliar words, encourage your child to sound them out to work out what it says.
- Don't forget to record any reading you do in your child's home-school diary!
- Practise mental maths (see homework grid)
- Practise reading and spelling tricky words, high frequency words and sounds, all of which can be found in your child's diary.
- Look over any phonics work that comes home as a way of recapping learning.

Homework

- Bug Club Reading- the books on Bug Club match the children's phonics level so are beneficial to their reading progress.
- Reading – The more you can do, the better. 2 reading books will be given out on a Monday, please keep them at home and return them on a Thursday. It is really beneficial for the children to reread books too. We like to think of it as… read once to sound out words, read twice to build up fluency and read the third time to say it in a storytelling voice.
- Phonics- it is so important for the children to practise reading and spelling their focus sounds/words.
- Topic Homework- a homework grid will follow with details!

Please ensure all clothing is named, including sunhats. We gather a lot of lost property and it is much easier to return to its rightful owner if it is named.



P.E:
Monday
Friday
Weather permitting, we will be outside as much as possible!
