EASTER ACTIVITIES

The children and adults(!) have enjoyed a busy week full of 'egg-citing' activities. These have included an Easter hunt, lunch, class based activities and our RE day on Thursday. Each year group looked at part of the Easter story and we all got together in the afternoon to share.

REMINDERS

Parking issues

We have been contacted again by residents regarding parking in the vicinity of the school. Please be mindful when parking as driveways are being blocked and inconsiderate parking is impacting on residents. Residents will be recording registration details and forwarding them directly to the Police.

In addition we would remind you that parking on the junction of Quibury Close causes an obstruction for people pulling onto Tenacres Lane. We would encourage parents/carers to walk to school wherever possible or park a short distance away and walk the remainder.

Swimming

Children in Year 3 will be starting swimming lessons at Abbey Stadium on Monday 29th April for 10 weeks.

Please ensure that
ALL items of PE kit
are clearly named.

Year 2 SATS

The first half of the Summer Term is particularly important for Year 2 children who will be completing their SATS. Please ensure that children are in school every day in order to benefit from the important preparations during this time.

Attendance Matters

Please remember to phone and leave a message on our answering service if your child is absent from school due to illness. If you are unable to do this please inform your child's class teacher on their return either by writing in their Home/School Diary or speaking to them directly. Absence which remains outstanding will be unauthorised and may lead to a penalty notice fine of £60 payable, per parent, per child.
