

Dear Parents/ Carers,

As part of our 'Redditch Rocks' whole school topic later this term, the children have been set a photo challenge. Over the next half term we want you and your child to take as many photos around Redditch as you can and create a collage using these photos.

You can present your collage any way that you would like, whether it be printed photos or one created on the computer and it is up to you whether you include text.

You should include photos of your child exploring the local area, visiting their favourite places, any special places and maybe even discovering new places!

The collages need to be handed in no later than Friday 5th July and there will be one prize for each year group. (Get creative!)

This is the perfect opportunity for you and your child to get out and about and really enjoy the local area. There are so many places to see and we look forward to seeing all of your amazing collages.

Miss Austin
