Monday - Athletics/- outdoor kit

Wednesday -Fitness - outdoor kit.

## Geography

Maps  
Create a simple sketch map of the local area.  
Use a simple key.  
Recognise human and physical features.

## End of Year 2 Expectations

All children should be able to read and spell the Key Stage One common exception words found on page 114 of your child's home-school diary.

Children's heat maps on TTRockstars should be completely green for the 2, 5 and 10 times tables, showing they have quick recall of these multiplication facts.

Please support your child by practising these regularly.

This half term we will be going on a local walk around school as part of our Geography work. We will send out further details nearer the time.

## How to help your child

Continue to practice telling the time to the nearest 5 minutes - past the hour and to the hour.

Hear your child read regularly and encourage independent reading. Ask them questions about what they've read to practise comprehension skills.
